We, parents of, _____, give permission for our son/daughter to participate in the Montgomery Philharmonic, Youth Chamber Music Festival 2010. We understand that because chamber music is usually played one person on each part, that we are committing to the above dates so that my child can enjoy a true chamber music experience. We will provide transportation to and from the Gaithersburg Presbyterian Church and instrument, music stand, and pencil at each session. We also understand that my child is welcome to participate on the Montgomery Philharmonic Summer Reading Sessions from 7 - 9:15 PM each Monday night.

We hold the Montgomery Philharmonic, its officers and members AND the Gaithersburg Presbyterian Church harmless from any injury or sickness that might occur during this festival.
